## NEUROLOGIST – Cornwall, Ontario

Cornwall Community Hospital (CCH) provides a wide range of medical specialties which include: Anaesthesia, Dentistry, Emergency, Gastroenterology, General Surgery, General and Family Practice, Gynaecology, Internal Medicine, Neurology, Obstetrics, Ophthalmology, Orthopaedics, Paediatrics, Psychiatry, Rehabilitation and Urology as well as an excellent Radiology Service with Ultrasound, CT Scan and MRI.

As a Regional Stroke Center, CCH provides leadership, development, implementation and coordination of stroke care throughout its region and across all points in the spectrum of stroke care. In addition to inpatient and outpatient consultation for the community, our neurologist will provide call coverage for our emergency department and inpatient services.

The successful candidate will have the opportunity to read the EEGs and EMGs done at CCH.

The hospital has a state-of-the art Stroke Prevention Clinic where our neurologist can see patients with the full in hospital support of nursing, record keeping, appointment booking and follow up/referral coordination.

Cornwall Hospital has a closed ICU model, where our neurologist would be able to participate in patient care and consultations.

Our neurology service is entitled to a well-funded HOCC (on call coverage) program, providing a daily stipend in addition to OHIP fee for service when on call.

The successful applicant holds a Royal College of Physicians and Surgeons of Canada certification of Neurology and is eligible for independent medical licensure in the province of Ontario.

### **About Cornwall Community Hospital:**

Cornwall Community Hospital (CCH) provides a full range of acute inpatient, outpatient and community mental health services to their catchment area of 100,000 people from the communities of Cornwall, the United Counties of Stormont, Dundas and Glengarry and to the Mohawk Community of Akwesasne. With 160 beds, more than 1200 employees and 180 physicians, CCH offers a wide range of care and services. These include emergency, surgical, medicine and rehabilitation services, mental health and addiction programs as well as a family birthing centre.

Cornwall has an exceptional location on the shores of the St Lawrence River. The city is located about one hour's drive from Ottawa and Montreal as well as being minutes away from the US border. Many doctors in our community commute from Montreal and Ottawa. Cornwall has a VIA Rail station with easy access to major Canadian cities with Toronto being about 3.5 hours away by train.
