

FULL-TIME PAEDIATRICIAN

Cornwall Community Hospital is actively looking for a full-time paediatrician to join our team.

We are level 1 community hospital with a mixed pediatric / OB unit providing care to a catchment area of 90,000 people. Our team is composed of 4 paediatricians and 3 OB/GYN physicians. Each paediatrician has their own independent practice in the community and is expected to share hospital on-call duties. Hospital on-call paediatric coverage includes seeing healthy newborns, managing paediatric inpatients, seeing ER consults at the request of ER physicians as well as attendance at delivery if requested by our obstetrical colleagues.

Our department works closely with the Children's Hospital of Eastern Ontario (CHEO) whose specialist teams provide advice by phone as well as emergency transport for inpatients needing tertiary levels of care. CHEO is also our referral centre to help manage more complex patients.
