Hôpital communautaire de Cornwall

## PSYCHIATRY OPPORTUNITIES

Cornwall Community Hospital is a Schedule 1 facility that provides a full range of acute inpatient, outpatient and community mental health services to their catchment area of 100 000 people from the communities of Cornwall, the United Counties of Stormont, Dundas and Glengarry and to the Mohawk Community of Akwesasne.

Cornwall is served by Ontario's Highway 401 and is on a main railway corridor. So, when you do yearn for the bright lights of the big city, Montreal and Ottawa are within a short driving range, while Toronto is just a four-hour car trip, or a relaxing downtown-to-downtown train journey away.

Our 16-bed Inpatient Unit is supported by a Long-acting Injection Clinic and a Day Hospital. As well, our new Community Addiction and Mental Health Centre that was completed in 2016 provides a range of services for all ages. It offers a robust roster of community-based services, including: Adult Mental Health, Addiction Services, Community Withdrawal Management, Geriatric Mental Health, First Episode Psychosis, Mental Health Crisis, Assertive Community Treatment, Children and Youth Mental Health Services.

Whether a member of the Community team or the Inpatient team, our staff work to ensure quality, seamless care. This integrated approach to care is further aided by strong ties with community groups, family/caregiver and client advisory committees and regional partners.

If you are looking to work with an interdisciplinary team — in a setting that encourages work-life balance — contact the Cornwall Community Hospital today.

**About Cornwall Community Hospital:**

Cornwall Community Hospital (CCH) provides a full range of acute inpatient, outpatient and community mental health services to their catchment area of 100,000 people from the communities of Cornwall, the United Counties of Stormont, Dundas and Glengarry and to the Mohawk Community of Akwesasne. With 160 beds, more than 1200 employees and 180 physicians, CCH offers a wide range of care and services. These include emergency, surgical, medicine and rehabilitation services, mental health and addiction programs as well as a family birthing centre.

Cornwall has an exceptional location on the shores of the St Lawrence River. The city is located about one hour's drive from Ottawa and Montreal as well as being minutes away from the US border. Many doctors in our community commute from Montreal and Ottawa. Cornwall has a VIA Rail station with easy access to major Canadian cities with Toronto being about 3.5 hours away by train.
