Job Posting

(ONA Local 42)

JOB TITLE: Registered Nurse (Full-Time)

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”.

It is expected that you will be also be trained to function in both the Day Surgery Unit and the Operating Room (Pre-op and Local Nurse).

Function Summary:

As a member of the interdisciplinary team, the role of Registered Nurse (RN) at CCH is to deliver safe, effective, patient-centered, ethical, and evidenced-based nursing care. The overall function of the RN is to assist our patients and community to manage clinical conditions and transitions and maximize their self-care abilities. The RN also acts as a resource for members of the care team.

QUALIFICATIONS:

Required:

- Undergraduate degree (4 year) or community college diploma in nursing
- Certificate of registration from the College of Nurses of Ontario
- Current certification in Advanced Cardiac Life Support (ACLS)
- Valid Basic Life Support (BCLS) certification
- Is committed to living the Mission and Values of Cornwall Community Hospital
- Demonstrated regular, punctual attendance
- Demonstrated commitment to patient safety
- Clinical knowledge and skills with central lines
- Two (2) or more years of PACU experience (within last 3 years)
- PACU course or enrolled and completed within 1 year of hire
- Functional level in both official languages (oral and written in English; oral in French – and testing completed)

Position Key Competencies

- Superior interpersonal organizational and communication skills
- Ability to work within an interdisciplinary team.
- Leadership and decision-making skills
- Ability to work under pressure and to adapt to change
- Excellent patient assessment, critical thinking, communication (oral and written), and problem solving skills
- Ability to develop, implement, evaluate and adapt a therapeutic nursing plan (Care plan)
- Completes established curricula as required at the unit level

SALARY: \$32.66 - \$46.76 per hour

HOURS: Scheduled all shifts - subject to change based on operations
