

Cornwall Community Hospital
Hôpital communautaire de Cornwall

Diagnostic Services
JOB POSTING
(OPSEU Local 402)

JOB TITLE: Medical Radiation Technologist (**Part-Time**)

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”.

DUTIES: Reporting to the Director, Diagnostic Services, and under the supervision of the X-ray Charge Technologist, the technologist will produce all required radiological examinations according to prescribed standards. He/she will perform general radiography, mobile radiography, gastric studies, mobile fluoroscopy, urology, O.R. and any associated tasks, e.g. select/prepare contrast media. He/she will produce high quality images as required, utilize all protective radiation safeguards and assume office and other related duties as required. He/she will document all appropriate information in the radiology information system and uphold all policies and procedures of the department and organization.

QUALIFICATIONS:

Required:

- Graduate from an accredited school of Radiology
- Current registration with the College of Medical Radiation Technologists of Ontario
- Proficiency in digitized radiography equipment
- Recent relevant experience
- Excellent computer skills and good working knowledge of HIS, Ris and PACS
- Demonstrated effective communication skills, critical thinking, problem solving, decision making, and organizational skills
- Must be able to multi-task in a fast paced work environment
- Strong attention to detail and the ability to work well with multiple interruptions
- Ability to work independently and within a multi-disciplinary team environment
- Must meet physical demands of position including lifting over 60 lbs. and withstand constant standing and/or walking
- Ability to respect and maintain confidentiality
- Current certification in BCLS
- Demonstrated regular/punctual attendance
- Demonstrated commitment to patient safety
- Functional level in both official languages (oral and written in English; oral in French – and testing completed)

Preferred:

- Current registration with the Canadian Association of Medical Radiation Technologists

SALARY: \$31.32 - \$43.25 per hour.

HOURS: Scheduled and called in (all shifts) – subject to change based on operations.
