

**Cornwall Community Hospital
Hôpital communautaire de Cornwall**

**Manager Emergency Department
Full-Time**

In collaboration with the current Manager of Emergency Services and the Senior Director of Critical Care Services and Operating Room, the manager plans and directs the activities of the Emergency Department to ensure excellent patient care and emergency services to community and surrounding areas. Collaborates with the team ensuring the Emergency Department is achieving its annual goals and budget targets.

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing "Patient Safety" and our hospital's "Senior Friendly Strategies" as a top priority in creating a culture of safety and "The Workplace of Choice".
