

**Cornwall Community Hospital
Hôpital communautaire de Cornwall**

**Physiotherapy
Job Posting
(OPSEU Local 402)**

JOB TITLE: Physiotherapist (**Temporary Part-Time**)

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”.

DUTIES: The Physiotherapist provides quality physiotherapy assessment, treatment and education to referred patients/families and caregivers based on a client centered approach; education and clinical training for physiotherapy students and hospital employees; consulting services to community agencies. The physiotherapist performs physical/functional assessment on all referred patients which include: acute inpatients, outpatients and adult rehabilitation inpatients; documents patient assessment, treatment, progress, discharge plans and statistics; initiates and participate in physiotherapy in-services and hospital quality assurance programs.

QUALIFICATIONS:

Required:

- BSc in Physical Therapy from an accredited Canadian Physiotherapy program
- Licensed with or eligible for licensure with the Ontario College of Physiotherapists
- Good understanding of Quality Improvement
- Demonstrated regular, punctual attendance
- Demonstrated commitment to patient safety
- Functional proficiency in English, oral and written

Preferred:

- MSc in Physical Therapy from an accredited Canadian Physiotherapy program
