

**Cornwall Community Hospital
Hôpital communautaire de Cornwall**

**Community Mental Health Services
Job Posting
(OPSEU Local 402)**

JOB TITLE: Psychologist (**Part-Time**)

DUTIES:

Reporting to the Manager, Specialized Mental Health Services, Community Addiction & Mental Health Services, the Psychologist is responsible for the provision of comprehensive psychology services, including assessment, testing diagnosis, and treatment to clients, and for consultation and education to other staff, professionals and community agencies. The Psychologist provides services across the addiction, adult mental health, and concurrent disorder programs of the Cornwall Community Hospital, Community Addiction & Mental Health Services that are consistent with the needs of the client and the policies and procedures of the Cornwall Community Hospital. The Psychologist is accountable to the standards of practice and ethical conduct endorsed by the College of Psychologists of Ontario.

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”.

REQUIRED QUALIFICATIONS:

- Doctorate in Psychology with training and experience in clinical psychology
- Registration (or eligibility for registration) with the College of Psychologists of Ontario
- Listing with the Canadian Register of Health Service Providers in Psychology
- Minimum 2 years’ experience in an inter/multidisciplinary team within a mental health and concurrent disorder setting
- Theoretical and practical knowledge of mental health/concurrent disorder illnesses & intervention approaches
- Experience in completing client assessments and psychotherapy
- Ability to be self-directed and skilled in establishing therapeutic relationships
- Therapeutic skills in individual and group therapy with adults with various mental health disorders including concurrent disorders
- Ability to communicate effectively both verbally and in writing with clients, families, staff and community agency personnel
- Ability to educate and provide consultation to clients, families and community agency personnel
- Strong collaborative skills in working with other community partners
- Knowledge of types of relevant community resources
- Comprehensive knowledge of psychiatric diagnosis and professional practice guidelines for the treatment of various disorders
- Knowledge of relevant legislation such as Mental Health Act, pertinent regulations, and other statutory duties
- Ability to communicate effectively with individual, groups, and other professionals within an interdisciplinary environment in a diverse community
- Ability to develop, co-ordinate and deliver in-services, presentations, psycho-educational and support groups
- Ability to be organized, conscientious and thorough with information gathering, and in documentation practices
- Computer literacy (MS Office – Word, Outlook, Excel)
- Physical ability to carry out the duties of the position
- Demonstrated regular, punctual attendance
- Demonstrated commitment to patient safety
- Must have a valid Ontario driver's license with access to own vehicle, and acceptable driving record
- Functional proficiency in both official languages (oral and written in English, oral in French – and testing completed)

SALARY: \$51.56 to \$65.71 per hour.
